WHY THE BOND BETWEEN HUMANS AND DOGS?

Josh Dean is the author of *"Show Dog: The Charmed Life and Trying Times of a Near-Perfect Purebred,"* and recently had these observations:

It's really quite simple: because people really, *really* love dogs—almost as much as they love their children. Sometimes, even more.

That said, there are probably plenty of you who own dogs who still don't see how that explains the motivation to put them in dog shows. So let me put it to you this way: Do you adore your dog to the degree that you sometimes call yourself “Mommy” or “Daddy”? Do think he or she is the most beautiful and special creature there is and ever has been? Do you often brag about him or her to friends and family? Do you post adorable photos on Facebook? Well, this is exactly what we do with our children.

And it's why people show dogs. Because while dog showing is ostensibly about breeding — it's the way the best and healthiest stock is identified — it's also about validation.

Just as parents want teachers to tell them their kid is the smartest and politest in class, dog owners want to hear people lauding their dog's beauty and obedience, and there's no better place to hear that than in the show ring. Which isn't to say that dog show participants need a ribbon to prove what they already know. If there are 3,000 dogs entered in a particular event, you'll find 3,000 humans who'd argue for hours about why their dog is best.

It's almost impossible not to feel that way. Because the bond between humans and dogs is more intense than our bond with any other species, and there's not even a close second.

Dogs were the first domesticated animals, the ones that made domestication of all others possible. Scientists can't seem to agree whether it was 10,000 or 15,000 or 100,000 years ago, but it's inarguable that dogs evolved from wolves because of us. They were selected and honed to be our companions — to help us hunt, to guard our homes, to look after our livestock and even our children and, over time, to do so many useful and wonderful things that it boggles the mind.

FROM THE PRESIDENT

Hello Club Members,

Now that summer is coming to an end, we can reflect what it would have been like without our dogs...pretty normal and routine, I suspect. Thank them for letting us be part of their lives.

During the last few months, the club has selected both our judges and trophies for our Spring Specialty Show to be held on February 19, 2016. As in the past, donations are needed for the trophies. Please contact Linda Kenan @ 619-722-1933 if you would like to do. Also, 2016 will also bring to San Diego the ISCA Nationals to be held at the Town and County Resort in Mission Valley from May 29 – June 4. Club volunteers will be needed for two hour shifts. Please contact

MINUTES 5/16/2015

BOARD MEETING: Called to order at 7:59 PM, but a motion was made by Lynne and a second made by Alexis for business to be postponed until the General Meeting. Adjourned at 8:00 pm.

GENERAL MEETING: Called to order at 8:02 PM. Members present: Chris Cohen-Richards, Madelon McGowen, Kathy Whiteis, Dick Whiteis, Robert Rez, Sherry Rez, Lynne Aung-Levin, Cathy Dever, Alexis Heath, Deborah Sherwood, Aileen Frazier, Myrna Burleigh, Linda Kenan, Tom Kenan, Bob Merrifield, Jill Merrifield, and Valerie Mahoney. Minutes from the April 18, 2015 meeting were approved as corrected. Motion made by Linda and Valerie seconded the motion.

OFFICERS REPORTS:

- President - Chris Cohen-Richards – No report.
- Vice President – Rickard Borg – No report not present.
- Treasurer - Valerie Mahoney – Reported that the club received one additional trophy donation of \$25 from Tina Bienefeld. Valerie requested a vote on spending \$41.90 after-the-fact made for banquet supplies and decorations. A vote was taken and passed unanimously.
- Secretary – Jill Merrifield – Asked about an e-mail received regarding “spay coat”, but nobody in the club had made the inquiry. Provided a trophy catalog received from the ISCA for review and potential use at a future show.

COMMITTEE REPORTS:

- Newsletter (Chris Cohen-Richards) – The newsletter was sent out today (the 16th).
- Facebook (Chris Cohen-Richards) – We are now up to 146 in Facebook.
- Membership (Valerie Mahoney) - Valerie requested a vote for new members Aimee Lang and Jeremy Rusin. Linda made a motion, Alexis seconded the motion and a unanimous vote was made for membership.
- Rescue (Sherry Rez) – One application was received back from Ruth Wald. There is an issue with two sibling Irish Setter dogs being advertised on Craigslist. Sherry contacted that individual placing the ad and provided some information to obtain and things to consider when trying to place dogs into new homes.
- Show (Linda Kenan) – A recap will be held over until the June meeting. Valerie said the Obedience Club did pay our club a \$100 reimbursement. Discussions on Robert and Sherry’s suggestions for next year’s potluck and supplies will be postponed until the June meeting.

OLD BUSINESS:

- More discussions are needed regarding ISCSD donation letters and will be addressed at the June meeting.
 - The possibility of having an Animal Specialties ophthalmologist put on a clinic on eyes and invite other clubs as a fund raising opportunity was discussed. Chris spoke with Jane Stuckey, ophthalmologist from the VCA Eye Clinic for Animals, and learned they would like 20 to 30 people to attend so it makes it worth while. Our club could invite other breed clubs such as goldens and dobies. We can send out feelers to other clubs regarding interest, possible locations and dates for this activity. Will discuss more at the June meeting.
 - Discussions on how to proceed dedicating next year’s specialty to Dolores Hughes was postponed until the June meeting. Under consideration is how to acknowledge her: specialty show ring name, donation, plaque, or/and picture.
 - Since input is needed next week for potential judges, but no suggestions have been received from club members, Valerie and Cathy will provide their input to Silver Bay for judges for next specialty.
 - Show and activity times for the next specialty show need to be discussed (what time the spaces will be vacated). At the last show, the next tenant (through the show weekend) for the space arrived mid-day and our club was not done with the space at that time. This will be discussed at the June meeting.
- Afternoon judge for next years show needs to be determined. Postponed to June meeting.

NEW BUSINESS:

- IRS 1099 forms to judges. The question was brought up whether the club filed a 990N to IRS and a 199N to the State of California regarding payment to judges. The answer is that if the amounts are under \$600.00, none of those forms are needed.
- ISCA Versatility Program – Our club had no entries in this category this last year.
- AKC New Judging Approval Process – Our club is not involved in this.
- Report on Allied Gardens Rec Centre bi-monthly meeting postponed until June meeting.

MINUTES 5/16/2015

A complete inventory of the club trailer will be done in the near future by a group of club members.

ADDITIONAL/FORGOTTEN ITEMS:

A big Thank You to Valerie for planning and implementing the award banquet. It is a lot of work making the original arrangements, coordinating with the club members, getting trophies ready, printing up the documentation for each trophy, making the decorations for the banquet, setting up everything on the night of the banquet and then cleaning up everything. Valerie, your efforts are acknowledged and greatly appreciated. Thank you from all of us.

ADJOURNMENT – Linda made a motion to adjourn the meeting and Madelon seconded the motion. The meeting was adjourned at 8:22 pm.

BITCHES and BRAGS – Multiple B&Bs around the table.

MINUTES 7/18/2015

BOARD MEETING: Called to order at 7:01, but a motion was made by Alice and a second made by Alexis for business to be postponed until the General Meeting. Adjourned at 7:02 pm.

GENERAL MEETING: Called to order at 7:02 PM. Members present: Chris Cohen-Richards, Rickard Borg, Alice Borg, Kathy Whiteis, Robert Rez, Sherry Rez, Alexis Heath, Linda Kenan, Jill Merrifield, and Valerie Mahoney. Minutes from the May 16, 2015 meeting were approved as corrected. Motion made by Alice and Sherry seconded the motion.

OFFICERS REPORTS:

- President - Chris Cohen-Richards – No report.
 - Vice President – Rickard Borg – No report.
 - Treasurer - Valerie Mahoney – No activity for June except the 90 cents on a CD in the bank. In May, since we did not have June meeting, we earned \$12 from “Bitch and Brag”. Also, we spent \$41.90 for supplies for the awards banquet. We did earn 93 cents from one CD and 44 cents from the other CD. A copy of the Treasurer’s Report was submitted.
- Secretary – Jill Merrifield – Relayed information received from Pat Haigler, the Assistant Show Chairman for the upcoming 2016 ISCA Specialty asking for a donation of \$200 to assist with show costs. Linda made a motion to give \$200 for the 2016 National and this was seconded by Valerie. A vote was taken and the motion passed unanimously. Also relayed the information about the event operations contact for our club.

COMMITTEE REPORTS:

- Newsletter (Chris Cohen-Richards) – The newsletter was sent out today (the 8th) by e-mail and U.S. Mail.
 - Facebook (Chris Cohen-Richards) – We are now up to 152 in Facebook.
 - Membership (Valerie Mahoney) - Chris had a question two e-mail addresses for current club members, left messages to get correct addresses, but has received no further information.
 - Rescue (Sherry Rez) – Received a request from an individual named Chris Owen and sent him an application, but told him there were no rescue dogs available at this time. An individual from Camarillo called relaying information regarding his history with dogs. He was then referred to Kathy who discovered he lived with his 80+ year old mother but never mentioned he was a dog trainer, but wanted to breed mixed breed dogs. One application was received back from a woman named Georgia in Orange County that has been denied a rescue from So Cal due to the fence in the front yard being too short. She came to our club after being turned down, but she does not seem like a good candidate.
- Show (Linda Kenan) – Valerie said the Obedience Club did pay our club a \$100 donation. Discussions on Robert and Sherry’s suggestions for next year’s potluck and supplies will be postponed, but a copy of their list will be e-mailed by Jill so everyone can review it and add to it. There were brief discussions during this meeting with a suggestion of: a chili station and a soup table, then split salad and deserts onto two tables. We are trying to make an arrangement that flows better. We definitely need sharp knife and a bread board. We can discuss the flow pattern and choices at the next show meeting at their house. We also discussed setting our time to vacate our hospitality spaces at 4:00 pm. We need to discuss that with the Silver Bay parking people. We need to know what time they are telling the next occupant the spaces will be available.

MINUTES 7/18/2015**OLD BUSINESS:**

- The possibility of having an Animal Specialties ophthalmologist put on a clinic on eyes and invite other clubs as a fund raising opportunity was discussed. Chris spoke with Jane Stuckey, ophthalmologist from the VCA Eye Clinic for Animals, and learned they would like 20 to 30 people to attend so it makes it worth while. Our club could invite other breed clubs such as goldens and doxies. We can send out feelers to other clubs regarding interest, possible locations and dates for this activity. If there is no interest then we scrap the idea. The cost for an exam for each dog is \$30. We should have Jane Stuckey put on an informational slide show that other club members could attend describing what services they perform and how it affects the dog. Decide after the presentation if anybody would like to go have the service performed for their dogs at a later date. We need to know if Jane will do it. Possible clubs to ask would be doxies, goldens, and cockers. Chris will go by within the next week then contact Linda.
 - Delores Hughes was one of the founding members of the club. Her son is trying to locate some photographs and articles about her. We need to determine if the "honoring" is going to be by plaque, ring name, or information placed in the show catalog. We could put the information in the catalog, dedicating the show to her and something should be said about Delores' Candy Kay Kennel. We discussed getting an easel for ringside to place a poster or memory board on. Kelly Hughes (Delores' son) originally contacted Alexis. Chris will contact Kelly again about photographs and other memorabilia. Some members would go to look at the items Kelly is talking about.
- Judge selection has been completed for the next show and letters have gone out.

NEW BUSINESS:

- The club needs to reserve the fall play day, which will be in Escondido this time. Usually the playday is in the October/November timeframe. Chris said he would remind Valerie to call the Hidden Valley Obedience Club.
 - Allied Gardens Rec Center Council Meeting: Chris did not attend the July meeting, but Jill will attend the September meeting and Chris will attend the November meeting.
 - Trailer inventory team: A complete inventory of the club trailer will be done this coming Saturday at 10:00 at Madelon's house.
 - How we can help the 2016 National: The show needs volunteers to work the welcome table on Sunday in two hour shifts, which will continue for all following show days. Additional volunteers are needed for other parts of the show. Raffle tickets are on sale with Valerie with chances for \$1000 or a generator.
- Versatility program – Valerie will write up a simplified description of this program. Discussion on the versatility program will continue and it will be offered in our February show.

ADDITIONAL/FORGOTTEN ITEMS:

None.

ADJOURNMENT – Alexis made a motion to adjourn the meeting and Sherry seconded the motion. The meeting was adjourned at 8:34 pm.

WHY THE BOND BETWEEN HUMANS AND DOGS? *, continued from page 1*

For all the talk about wheels and metal and gunpowder, we often overlook one very important tool that helped lead us out of the caves and into societies: our dogs.

We have dogs that serve in combat (famously assisting in the capture of Usama Bin Laden); dogs that detect bed bugs; dogs that defend sheep from wolves (and cattle from cheetahs), in the process protecting the wild animals too by keeping ranchers from shooting them; dog lifeguards; dogs that guide the blind and allow the disabled to live better lives; dogs that sniff out cancer and drugs and invasive species. And dogs that simply provide companionship, making millions of lives around the globe much, much happier.

There seems to be no job dogs were asked to do that they didn't figure out how to do capably, and if only they had thumbs we'd probably have taught them to drive us around by now.

Every day our scientific knowledge about these amazing animals increases, enabling us to better understand the very special voodoo that dogs have over us. What exactly makes canines so malleable is not yet fully understood but the fact that the species was literally born at our side explains why they seem to understand us at a level that's sometimes spooky (but always nice).

Recent research shows they can read our facial expressions and pick up subtle cues that even toddlers can't, and any dog owner has experienced moments where it seems like there's an almost extrasensory frequency by which our two species communicate. What owner hasn't come home on a bad day to find his dog immediately understanding, and offering a little extra love as a result?

And the best part of this relationship is how simple it is. While we often ask so much of them, they require almost nothing in return. You can ask your dog to chase a Frisbee, take a nap on the couch, herd some sheep, or run around a show ring and he'll do it, happily, for hours on end. He only wants to be fed, and told he's good, and most of all loved. If a dog has love, he really needs nothing else.

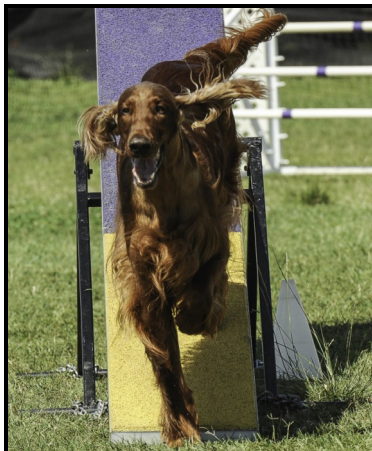

Unlike your kids, who will bug you for money until the day you die.

PRESIDENT'S MESSAGE *, continued from page 1*

Valerie Mahoney @ 619-443-5677 and let her know what days you will be available. We need to show a strong support to the ISCSC who is the main sponsor.

September brings about nominations for both the club officers and the Board of Directors. If you wish to volunteer your time for any position, please contact Kath Whites @ 951-302-3377. Looking ahead to the next couple of months (how fast it goes by with those redheads by our sides), on October 31st the club will be holding its annual Fall Playday at Hidden Valley Obedience Club in Escondido. Since it coincides with Halloween, dress up your dogs accordingly. December will be our annual Christmas dinner, and Lynne Aung has graciously donated her house once again. Date TBD. Attendees will need to contact her @760-747-7848 prior to Dec 1, to RSVP and discuss what needs to be brought.

Hope to see you at several of these upcoming events.

BRAG, *by Val Mahoney*

Annie, MACH Jadestar Reach For The Sky JH MXS MJS XF T2B VC, has received her invitation to compete in the AKC Agility Championships in Orlando, Florida this December. Cathy Dever, Annie and I are really looking forward to our road trip and hoping that the predicted El Nino weather will be kind to us! It will be a fun 'family' reunion with Ian Lee and Phoenix who will also be competing.

GOOD LUCK FROM THE OFFICERS AND BOARD OF DIRECTORS
