PANDEMIC FUN WITH SETTERS

From Enrigue Rayon out with Bailey's on evening walks. Sunset and squirrels, nice life!

Val Mahoney reports Kaylie & Annie did enjoy a swim at a friend's house. Kenzie doesn't swim - for any reason!! But, she does love her frisbee!

WHAT IS A IRISH SETTER?

Between the innocence of birth and the dignity of old age there beats a heart and spirit so strong as to reduce even the largest of men to tears at their loss.

They come in all sizes, shapes, weights, and shades of red and mahogany. Each comes with its own personality and little bit of angel dust, all with one creed: "to love and honor those who chose him".

An Irish Setter will cause you to run the full range of emotions. Up to their ears in mud from the garden that you just finished planting.

On top of, underneath, inside of the new furniture, running around; jumping to and fro; tracking in; a savage jungle creature bent on destroying your nerves, marriage, relationships, and anything else his mind conceives. Yet, just as you open your mouth, he stands there demure with that special look in his liquid brown eyes.

Irish Setters will cause you more grief, joy, irritation, satisfaction, embarrassment, delight, frustration, pleasure and fill more hours that you dreamed were in a day.

He will not eat the food that costs you a week's salary, but he will eat your garbage, the neighbor's trash, furniture, shoes, doors, curtains, plants and anything else that strikes his fancy.

Irish Setters are a composite. They have the digestion of a sword swallower, the tenacity of a lion, the energy of an atomic bomb, the curiosity of a cat, the enthusiasm of a firecracker, the stubbornness of a mule, the speed of a gazelle, the antics of a monkey, the escape tactics of Houdini and to top it all off, he can reduce you to you.

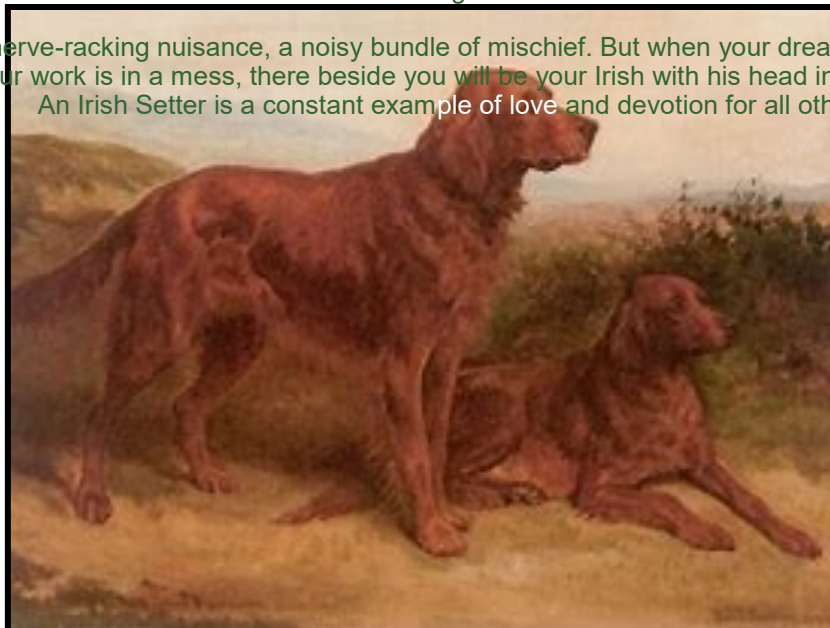

Irish Setters can be the smartest of all dogs but when it comes time for you to make a good impression, his mind reverts to the wild knowing that he has displeased you. You will never again look into more sorrowful eyes. You have lost again.

Irish Setters are magnificent, magical creatures. You can lock them out of your study, but you can't lock them out of your heart. He is your cantor, your boss, your master, and your mentor.

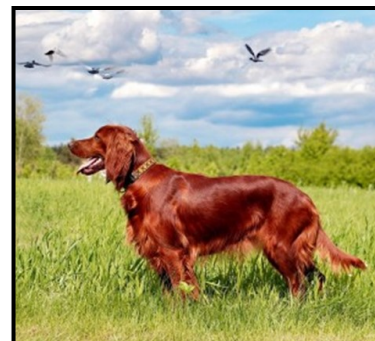

He will, with the lungs of a dictator, announce to the world his displeasure at you leaving him but when you come home with only the shattered pieces of your hopes and dreams, he can mend them like new with one slurp from his friendly tongue.

Yes, they can be a nerve-racking nuisance, a noisy bundle of mischief. But when your dreams have tumbled down and your work is in a mess, there beside you will be your Irish with his head in your lap.

An Irish Setter is a constant example of love and devotion for all others.
